Degree Completion:

All major courses must be completed with a letter C grade or better
Must be in "Good" academic standing

Mission

The Craig School of Business Advising Center, in collaboration with the Craig School of Business and University Community, seek to educate, empower, and support students through holistic academic advising. By providing planning and support, we help foster self-directed learners to become contributing members in the community and beyond.

Student Learning Outcomes

- Identify a major and/or option that encompasses your ideas, interests and career goals
- Explore and employ credible sources of information as it pertains to university and school requirements and policies to make sound educational choices
- Understand the requirements for your identified major and/or option
- Foster relationships with Craig School of Business faculty and/or community professionals to build a network that supports my goals
- Develop an educational plan
- Identify credible sources for career exploration
- Value having and setting goals
- Develop the confidence to be independent
- Take ownership of your education
- Identify and reflect on strengths and challenges in order to develop resiliency
- Engage in co-curricular and education opportunities that help enhance my professional and personal goals
- Understand the importance of quality time management and study skills
