Craig School of Business Advising Center Mission

The Craig School of Business Advising Center, in collaboration with the Craig School of Business and University Community, seek to educate, empower, and support students through holistic academic advising. By providing planning and support, we help foster self-directed learners to become contributing members in the community and beyond.

Craig School of Business Advising Center

Student Expectations

Students are expected to:

- Be proactive about maintaining a relationship with your advisors
- Commit to appointment and understand the importance of punctuality
- Cancel an appointment at least 30 minutes before the appointment
- Arrive early for appointments and bring a photo ID for check-in
 - Students will not be seen without a photo ID
- Review [degree requirements](#) prior to coming into advising
- Create and update [My Degree Plan](#) each semester prior to coming into advising
- Make sound choices that are relevant to your degree requirements
- Come prepared with [questions](#) and take notes regarding the advising appointment
- Follow through with academic or career referrals
- For pre-business students, be aware of how and when to declare your option
- Bring all relevant documents for completion and any questions pertaining to the documents
